A FOND LOOK BACK - DCJ PHOTOS

This is a time for nostalgia. In the holiday season we are all thinking about great times in the years of our lives. On the cover is Provincetown as we once knew it. Before changes wrought by the new influx of residents, this town on the very tip of the Cape was a quiet fishing village just as we sketched it 25 years ago. It came alive during the summer for the vacationers and then slept through the winter months. The dune on this page is the only survivor of that time still recognizable under a blanket of crisp snow. The sea is a great preserver. It is not hard to wipe out "progress" along the very edge of our great untamed coast. DCJ PHOTO

vate the senior high school.

Mr. Talty said that at the last committee meeting it was discussed doing the repair work in stages rather than one whole package. "We will be discussing the matter again at the November 29 meeting of representatives from the three towns, Mattapoisett, Marion and Rochester." On the committee are selectmen and finance committee representatives from each of the three towns. Mrs. Elaine Sylvia is Mattapoisett's member-at-large as a concerned citizen.

It was noted that two previous articles had failed in Mattapoisett for larger projects at the high school when it came time for an override to Proposition 2½. Mattapoisett's share of a five-year bond issue would have been $450,000, with a payment of $52,123 the first year.

Selectman Daniel O. Mahoney expressed the opinion that unless a smaller project is proposed the article is doomed to defeat again. "It's a loser if presented again the way it was. The school has to come back with a smaller project."

Selectmen Chairman John DeCosta said, "With the bad economic times now, I think people will support repairs that need to be done but not new construction."

Mr. Talty explained that he was just car-

rying instructions from the Advisory Committee, that all three towns would be asked again how they felt about another article on the subject of renovation.

In other business, Selectmen:

VOTED TO SUBMIT a Notice of Intent to the state Department of Environmental Protection under the Wetlands Protection Act for a permit involving proposed repairs to the granite-filled middle wharf.

The proposed work on the 435 foot wharf will be in accordance with plans submitted to the Mattapoisett Conservation Commission for a Notice of Applicability. Design plans were prepared by John DeRugeris of Coastline Engineering who is donating his expertise to the town.

The commission held a hearing on November 6th to license the existing granite-filled wharves; its decision will be announced soon.

Executive Secretary Carol Adams reported on the balances remaining in the harbormaster's office repair account and the bathhouse repair account.

In the bathhouse account there is a balance of $101.17, not sufficient to hang two more doors that have been purchased and now stored inside the bathhouse. Of the $3,000 voted at the May 1990 annual town meeting for the bathhouse repair, only this small amount remains, Mrs. Adams said.

Selectman Talty said he felt sure there were funds in the Recreation Department budget sufficient to cover hanging the two doors.

The $5,000 approved at the town meeting for remodeling the harbormaster's office has been exceeded. Selectmen felt sure there

A 20-foot Colorado Blue Spruce tree that has stood on the property of Clara and Carl Wagner of 52 North Street for 30 years will now bring pleasure to all who pass Shipyard Park during the Christmas season.

The Wagners donated this lovely tree to the town for the annual Christmas Tree Lighting which will be held at 7 p.m. this Wednesday, December 5th.

Two two foot blue spruce trees were planted by the Wagners in 1961 when they came to Mattapoisett. The first of the two trees was donated last year to the town's Christmas festivities.

How is good vision like an old saying?

How much trust would you have in a doctor who had two for one sales on gall stone operations? Not much, would you? Well Oxford Family Eye Care feels the same way about eye care. Unlike the franchises, we at Oxford Family Eye Care look at ourselves as a health care service - not a retail operation. Good vision is too important to be reduced to two for one sales. This health care approach has been our tradition. When you come to Oxford Family Eye Care you'll find a wide selection of frames, but more important, your prescription will be filled accurately and quickly. We also offer **EMERGENCY SERVICE.** Oxford Family Eye Care has always taken vision seriously, because we know that like an old saying, good vision can too easily be taken for granted.

Bone Marrow Donor Drive

On Sunday, December 9th, from 12 noon to 4 p.m. Max + 6000 will host a Bone Marrow Donor Drive at St. Gabriel's Church, Front Street, Marion, to enroll potential donors in the National Marrow Donor Program. Part-time Marion resident 11 year-old Max Warburg has been diagnosed with leukemia and his only hope for survival is a compatible bone marrow donor offering him this "living gift of life".

Max and the Warburg family want all those waiting for a transplant to have the same chance of a successful search that Max has had.

You can save a life if:

-you are between the age of 18 and 55 and in good health;

-you are willing to give two tablespoons of blood for analysis;

-you are willing to enroll in the National Marrow Donor Program.

Max is not alone. There are well over

Many thanks to you all who joined in on our (C.L.E.A.N. Inc. of Rochester, sponsored) paper collection. You really came forth! Now we've got to reach those who didn't. STUDENTS PARTICIPATE IN LIVE TV

"It was great! Being one of the stars on a TV show is really an awesome feeling" were the words of Caleb Wood-Daggett after returning from being a part of a live TV show called "Sportsplan". Mrs. Joyce Bourdon and five of her students, Caleb Wood-Daggett, Stephen Van Reenen, Matt Clerc, Nicole Holden and David Cook, from Rochester Memorial School went to Cambridge to be a part of this new interactive TV program produced by the Mass LearnPike. The program is then sent to the member schools throughout the state via the MCET satellite network.

"Sportsplan" is an interactive series about personal motivation and goal setting for students in grades 4-6. The message of "Sportsplan" is that athletics, like school work requires discipline, day to day work, and measurable outcomes. Using sports as a vehicle for developing the process of personal improvement, celebrity athletes use the techniques of their sport

to teach the students the elements of effective goal setting and how to acquire the skills necessary to improve their performance in order to achieve the goals that they have set.

The students had the opportunity to see the control room where the major part of the production takes place. Stephen Van Reenen estimated that there must be about 5,000 keys. David Cook "liked how the words appeared on the TV monitor during the program". Matt Clerc on the other hand felt that "the computer room was awesome".

The students then went into the studio to meet the stars and run through their parts in preparation for the program. Nicole described all the people in the studio as "nice, very bouncy and joyful". The celebrity athlete for their visit was a local golf professional named Leigh Bader. David Cook was impressed by the sliding wall where Mr. Bader wrote the steps he went through to reach his goals. Leigh signed golf balls and a hat for the students before leaving. After the show the students had the opportunity to have lunch with some of the production crew and celebrities as they previewed their production. Stephen Van Reenen liked Susan Lupika, one of the hosts for the show, the best because she was "real nice and funny".

It seemed to be the consensus of the students that they had learned a lot and would sure like to go again.

eye talk

Q. Are those nonprescription reading glasses I see in stores and magazines worthwhile? I only need help for reading and doing needlework.

A. These glasses are simply magnifying lenses mounted in frames. They may seem fine when worn for a couple of minutes in the store but, when used for an hour or more to concentrate on reading or needlework, they may prove unsatisfactory.

They can cause headaches, tired eyes or other eye-strain symptoms. That is because they do not contain your exact lens prescription or because the lenses' optical centers may not be centered with your pupils.

The real risk with these glasses, however, is that you may substitute them for a thorough vision examination. Your optometrist needs to see you every year to make certain your eyes are healthy and determine the exact cause of seeing difficulties. He can then prescribe the lenses your eyes need for long, comfortable hours of reading and doing needlework.

The town of Mattapoisett has a veteran population of 702, based on the 1984 Bureau of Census. Some of our veterans are in receipt of benefits from the state as well as the Federal government. In the year 1987 the Department of Veterans' Affairs Expenditures, in aid or pensions, has paid $524,950.00 to Mattapoisett Veterans. This is money that comes from the VA and saves the towns from hardship if they had to assist these veterans. If you feel that you, as a veteran, or if you know of a veteran that may qualify for a pension, or a service connected disability pension, or even a non-service connected disability pension, please do not hesitate to contact your nearest Veterans' Service Office.

In Mattapoisett and Rochester the number to call is 758-4114.

Rochester has a veteran population of 436, some of whom are receiving a total of $325,920.00 from the Veterans' Affairs.

By electing to come into your Veterans' Service Office you may find that you are entitled to benefits from not only the state, but from the Veterans' Administration. The assistance may be financial due to need as well as tuition for higher education, as well as pensions. There are many benefits available to veterans under the VA that many veterans are not aware of.

"The Nutcracker"

The Zeiterion Theatre celebrates the holiday season with the enchanting ballet, "The Nutcracker", performed by the Festival Ballet of Providence accompanied by the Festival Orchestra on Saturday, December 15th, at 2:00 p.m. and 7:00 p.m., and Sunday, December 16th, at 2:00 p.m. A corporate sponsor since 1984, Silverstein's is sponsoring this holiday favorite. In keeping with the holiday spirit of giving this year, the Zeiterion asks its patrons to bring canned goods to any of the three performances. These items will be turned over to the New Bedford Salvation Army for redistribution to people in need.

"The Nutcracker", based on the fairy tale by E.T.A. Hoffman as retold by Alexander Dumas, features the music of Peter Ilyich Tchaikovsky. This storybook ballet was first performed at the Maryinsky Theatre in Petersburg on December 18, 1892.

"The Nutcracker" is the story of a little girl, Clara, who falls in love with the nutcracker given to her by her favorite uncle, the mysterious Dr. Dresselmeyr. After an

enchanting Christmas Eve party, Clara falls asleep and dreams of the Land of Sweets. In her dream she sees wondrous sights like toy soldiers who come to life and do battle, a Christmas tree that grows sky-high, the beautiful Sugar Plum Fairy, and the handsome Nutcracker Prince.

The principal dancers for the ballet include Eva Marie Pacheco and Jerilyn Amodei alternating the role of the Sugarplum Fairy while Elizabeth Corey and Jennifer Ricci will alternate the role of young Clara. The ballet will also feature Patrick Notaro and Kevin Milam alternating the role of the Nutcracker Prince.

The Festival Ballet of Providence has been performing "The Nutcracker" at the Zeiterion since the theatre reopened its doors in 1982. "It has become a part of the colorful Zeiterion Christmas tradition", said Alan Liddell, Executive Director of the theatre. "Each year families return to share this holiday ballet with new friends and family."

A young professional dance company, the Festival Ballet is celebrating its 13th season this year. Under the artistic direction of Christine Hennessy and Winthrop Corey, the company has continued to strive for its goals to bring the best of dance to its audiences and to develop the talents of area dancers.

Tickets for "The Nutcracker" are $11.00,

Coffin Jones family will be here through living history performances. Captain Jones and his daughters, Amelia, Emma, and Sarah, will present, in authentic period costumes along with their beaus in the uniform of the Union Army, scenes of family life during this trying time.

The Museum historic house will be festooned in Victorian finery. Special exhibitions of vintage Christmas cards, children's antique books and games, on loan from private collections and the American Antiquarian Society, will be on view.

Throughout the week-long celebration there will be scheduled living history performances, chorale concerts with area church choirs, a children's puppet show and an appearance by Santa Claus.

The Museum Store will offer a special holiday sale of gifts, greens, and consignment items...both old and new.

On several afternoons tea will be served in the Museum's Christmas cafe.

Admission is $6.00 for adults, $5.00, Seniors, $3.00, Young People over 12 years of age; $10.00 per family. Group rates are available by calling the Museum at 997-1401.

Proceeds benefit the operations and programs of the Museum.

The program of events:

Friday, December 7: Holiday Gala Preview Party, 6:30-9:30 p.m. wine bar and hors d'oeuvres; living history performers and

Mayflower League All-Star Teams for the fall season.

Cheryl Forand was selected to the Volleyball All-Star team as a result of her strong efforts during the 1990 season. Cheryl is a sophomore in the cosmetology department.

Cheryl was recognized for her selection at Old Colony's Fall Sports Banquet held in November. The Cougars' volleyball team is coached by Kathy Gajewski. Also selected as All-Stars were Susan Kallio and Dearne Weston of Carver.

NOMINATED OTTO GRAHAM AWARD

A senior at Old Colony Regional Vocational-Technical High School was recently nominated for the Otto Graham Football Achievement Award. The award, named in honor of the former All-Pro quarterback of the Cleveland Browns, is presented to an area football player each year.

David Tripanier of Rochester was nominated by Old Colony head coach Kevin Gonsalves. David, a senior in the Welding/Metal Fabrication Department, was tri-captain for the Cougars this past season. David played quarterback offensively and cornerback defensively. He led the team in touchdown passes with six, and rushed for six career touchdowns.

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude. A.C.

FABRICATING/WELDING DEPARTMENT

Students in the Metal Fabrication/Welding Department of Old Colony Regional Vocational-Technical High School have recently completed the fabrication and installation of new fenders for a sander used by the Rochester Highway Department.

Under the direction of instructor Robert Bettencourt, the group spent an approximate nine hours on the project. The work had been requested by Albert Weigel, Highway Surveyor for the Town of Rochester.

With no charge to the town for labor, the work was accomplished for about $20.00, the cost of materials, an estimated saving of over $300.00.

"Artists of New Bedford"

On December 7th the Old Dartmouth Historical Society's New Bedford Whaling Museum opens a new exhibit, "Artists of New Bedford". Included will be paintings, etchings, prints, statues and wood carvings by artists who lived and worked in the area from the early 1700s to the 1950s. Shown will be examples of familiar artists such as Ashley, Bierstadt, Bradford and R. Swain Gifford, as well as those who are not as well known, including Captain Arthur Small, Harry Chase and Marietta Tintoretto Thompson.

"The View of Shipping in New Bedford Harbor", by Albert Van Beest, is one example of the artistic heritage of the New Bedford area. Van Beest, a Dutchman, emigrated to New York City in the early 1850s. He was persuaded to come to New Bedford around 1854 by William Bradford. His style influenced many local marine artists; Bradford and R. Swain Gifford are the best known.

This exhibit, which closes on February 1, 1991, is a celebration of ten years of work which culminated in the publication of the Old Dartmouth Historical Society's "Artists of New Bedford: A Biographical Dictionary". "Africa Oye"

New Bedford's Zeiterion Theatre presents "Africa Oye!", a musical extravaganza on Thursday, December 6th, at 8:00 p.m. "Africa Oye!", a group of 60 electrifying dancers, singers and musicians from all over Africa, will perform the authentic dance, music and song of their unique countries. The Standard-Times, New Bedford's daily newspaper, has been a long-time supporter of the Zeiterion and a corporate sponsor for six years in a row.

"Africa Oye!", which means "Viva Africa" or "Long Live Africa", is a cry of celebration which unifies all of Africa. The performers are from the countries of Zaire, Niger, Guinea, Mali and Senegal. Their show, a festival of color and excitement, is an exploration of Africa's customs and cultures.

A variety of African artists is presented in "Africa Oye!" that one could not see even if one traveled to Africa. Regional differences and the isolation of some tribes prevent tourists from easily seeing some of these performing artists. Not only will "Africa Oye!" entertain but it will demonstrate traditional folk art that is authentic and original.

Tickets for "Africa Oye!" are $11.50, $15.50 and $19.50; senior/student $2. discount. Group rates are available. Tickets
